

IELTS Writing Practice and Feedback App – User Guide

Welcome to the IELTS Writing Practice & Feedback Hub!

This guide will help you use the app effectively and improve your IELTS Writing score.

How to Use the App

- This ZIP contains downloadable IELTS Writing Task 2 model answers, writing checklists, and a user guide.
 - To practice writing and get instant feedback, please visit the live app:
 -  [Try the IELTS Writing Practice and Feedback Tool] (<https://ielts-writing-practice-r805.onrender.com>)
 - **Inside the App:**
 1. Select Task Type: Choose between Academic or General
 2. Choose Task Number: 1 (Letter)/ describe charts or 2 (Essay)
 3. Use a Prompt:
 - Either type your own writing
 - Or choose from pre-written Task 2 prompts
 4. Write at least 150 words for Task 1 or 250 for Task 2
 5. Click "Get Feedback"
 6. Download your report as PDF (optional)
-

What You Get

- Realistic Band Score
 - Strengths, Weaknesses, and Tips
 - Model Answer based on your prompt
-

Official Resources

- [British Council Writing Tips] (<https://learnenglish.britishcouncil.org/skills/writing>)
 - [IDP IELTS Writing Guide] (<https://www.ieltsidpindia.com/information/prepare-for-ielts/ielts-writing>)
 - [IELTS Liz – Task 2 Practice] (<https://ieltsliz.com/ielts-writing-task-2/>)
 - [SparkSkyTech Shop] (<https://www.sparkskytech.com/shop/learning-education>)
-

Offline Folder (Optional)

If you want to use the app without internet access:

1. Copy these files:

- `prompts.json`
- `static/css/styles.css`
- `User_Guide.md`

2. Put them into a folder:

```
```bash
```

```
mkdir offline_content
```

```
cp prompts.json User_Guide.md static/css/styles.css offline_content/
```
